Teenage Jurors Needed Orange County Peer Court

Peer Court involves an innovative process through which teenage students – ages 13 to 18 – recommend sanctions for first-time juvenile offenders. About 240 minors appear before Peer Court juries each year. Members of the jury pool earn three hours of community service.

Operating under the authority of the County of Orange Probation Department, Orange County judges preside over the sessions and select student juries from the audience. The jurors ask questions of the juvenile offender and their parent(s), deliberate with the assistance of an attorney advisor and recommend sanctions to the court to help get the minor back on the right track. The judge issues the final decision on sanctions with the Probation Department supervising completion of the court-ordered sentence.
