

Spring Greetings from the 8th Grade Class of
Cornerstone Christian Academy!

Dear Friends and Partners,

Currently our 8th grade students are preparing to complete their middle school education and head off to area public and private high schools. This is just the beginning of an exciting journey for them as they think not only about high school, but how the next four years will prepare them for college. Please pray for these students and their parents as they make decisions about what high schools to attend. Please consider making a special gift in honor of these 8th grade students. Your support and prayers over the years has made their graduation from Cornerstone Christian Academy possible.

Sincerely, Natasha Grant and Jamilla Rimmer, 8th Grade Teachers
