Below are the three Howard University School of Business Summer Enrichment Programs for the Summer of 2010:

1. Computer Information Systems Career Awareness Program
 - June 20-June 25, 2010
2. Hospitality Management Career Awareness Program
 - June 20-June 25, 2010
3. Accounting Career Awareness Program
 - June 27-July 2, 2010

The School of Business is looking for high achievers that are rising seniors. These should be students with a GPA of 2.8 or above and PSAT/SAT scores of 1000 (critical reading and math only) and above or a 22 composite on the ACT. Five spots in each program are held for rising juniors who can qualify. In addition, SAT preparation workshops will be a part of the enrichment week activities. Each program will also offer a workshop focusing on the basic essentials of entrepreneurship. The most outstanding student in each program will compete to earn a Howard University scholarship at the conclusion of the week.

These are one week residential enrichment programs aimed toward students interested in majoring in business. Selected applicants receive a scholarship that covers their room, meals, trips and activities. Students must provide their own transportation to and from the program.
