Subject: Oxford Summer Courses and Scholarships 2009-2010

Dear Sir or Madam,

I wonder if you would be so kind as to circulate details of our 2010 courses to your students, or perhaps post a link on your notice board? We are now accepting applications for July and August 2010 via our website at www.oxford-royale.co.uk . Students travel from over 70 countries to study with us each summer and there are over 20 different academic courses from which to choose.

It would also be great if you could include details of our Scholarship Programme, which offers financial aid to students of up to 4,000 USD facilitating their summer academic study in Oxford. Full details are available online at:

Should you require any additional information, application forms or further assistance please do not hesitate to contact me personally.

Best wishes,

Hugo H. Hanchet
