

Maximum Accessible Housing of Ohio Needs Your Talents!

Maximum Accessible Housing of Ohio is always on the lookout for good people interested in helping meet the housing needs of people with mobility disabilities by serving as **Board Members, Committee Members, or other Volunteers**. Join us and share memorable experiences as we develop an apartment building filled with state of the art accessible/universal design features, present educational and outreach seminars, and work in other ways to **assist those with mobility disabilities to live as independently as possible in their own accessible homes or apartments**.

Who are we looking for?

- People with disabilities
- People with marketing and PR skills and experience
- Attorneys
- Fundraisers
- Accountants

MAHO developed five fully accessible apartment properties in Northeast Ohio to address the need for accessible, affordable housing for people with physical mobility disabilities.
