About MAHO

The mission of Maximum Accessible Housing of Ohio is to develop and/or facilitate options in housing for people with physical disabilities.

Until 2007, MAHO was known as Maximum Independent Living (MIL). MAHO has a volunteer Board of Trustees that includes people with disabilities. The programs are co-sponsored by Lutheran Metropolitan Ministry and Paralyzed Veterans of America, Buckeye Chapter.

MAHO also operates the Accessible Housing Resource Center, (AHRC), a source of accessibility information, advocacy, education, and outreach. Through the AHRC, MAHO can help meet the housing needs of people with disabilities.
